

# Evan Reynon

Industrial Designer

| reynon.design@gmail.com | reynondesign.com

## Experience

### Industrial Design Intern | Purdue University Engineering

*June 2023 - January 2024, West Lafayette*

- Led product development for an assistive technology, collaborated between engineering teams with the Office of Technology Commercialization while managing NDA compliance.
- Implemented user-centered design to develop innovative solutions for visually impaired individuals, optimizing product functionality through prototyping and engineering integration.

### Industrial Design Co-op | Habro Games

*January 2023 - May 2023, West Lafayette*

- Collaborated with Hasbro Games on board game design, developing potential new products.
- Conducted user based research to drive customer faced engagement.
- Subject to NDA, no further details are available.

### Industrial Design Co-op | Garmin

*August 2023 - October 2023, West Lafayette*

- Partnered with Garmin to develop the design and prototyping of a new GPS-enabled product catering to untapped markets.
- Completed the research and development of cutting-edge concepts, applied to new areas of sports and outdoors, and through the design process delivered a high-quality final product.

### Industrial Design Co-op | Delta Faucet Company

*August 2023 - October 2023, Carmel*

- Collaborated with Delta Faucet and Purdue University to undertake a challenging design task, conceptualizing a faucet inspired by the iconic 1970 Lancia Stratos Zero concept car.
- Orchestrated a comprehensive design process encompassing ideation sketching, 3D modeling, rendering, and the meticulous fabrication of a tangible model.

### 3D CAD Modeler | Smock Material Handling

*August 2020 - October 2020, Indianapolis*

- Developed comprehensive 3D models and technical drawings for industrial material handling equipment, translating designs into manufacturing solutions
- Created and optimized 2D engineering documentation and drawings while managing multiple high-priority design projects to meet deadlines

## Involvement

### Purdue Furniture Design Course | Design Mentor, Class Assistant

*Fall 2024, Purdue University West Lafayette*

### IDSa, Purdue Chapter | Media Director

*Fall 2022 - Fall 2024, Purdue University West Lafayette*

### Purdue Disc Golf Club | Member, Vice President, Social Media Manager

*Fall 2020 - Present, Purdue University West Lafayette*

### Marwood Cooperative | Member, House Manager

*Fall 2020 - Present, Purdue University West Lafayette*

## Honors

**Semifinalist** | NES Patient Safety Contest

**2nd Place** | Patient Safety Design - Scout

**Finalist** | LAMP Design Awards - Stasis

**Patented Design** | Delta Faucets 115-6508-D

**Design Award** | Garmin GPS system "Ranger"

**Design Winner** | Delta Faucet Design Contest

**Eagle Scout** | Class of 2019

**CITI Certification** | Certified Sept 2024

## Education

### Purdue University, B.F.A

Industrial Design Professional Program | Minor in Design & Construct Integration

*West Lafayette, IN*

## Skills

Product design • Ethnographic research • Visionary presentations • Concept sketching • Wireframing  
• Style guides • 3D modeling • Rapid ideation • Product rendering • Woodworking • Solidworks •  
Keyshot • Fusion 360 • Rhino 3D • Adobe Suite • Photoshop • Illustrator • Premiere Pro • InDesign
